

Iris Johansen CD Collection: Pandoras Daughter, Quicksand, Dark Summer

Pandoras Daughter: For as long as she can remember, successful young physician Megan Blair has tried to silence the voices in her head. Megan possesses psychic powers that have been dormant for years. But now everything has come to a boiling point - someone is trying to kill her, and others are trying to use her, including the deadly and seductive Neal Grady. He holds the key to understanding her future, a future in which Megans life will never be the same. **Quicksand:** Do you still miss your little Bonnie? This one sentence, spoken by a madman in an anonymous phone call, is all it takes to drag Eve Duncan right back to that horrifying day years ago when her only daughter vanished without a trace. Since that day, her life has become an obsession to find Bonnies remains and put the pain of her death to rest. However, one man wants nothing more than to prevent that from happening. But taunting Eve Duncan might be his first and last mistake. . . . **Dark Summer:** Devon Brady is a devoted veterinarian working in a makeshift hospital on a remote search and rescue mission. When a man arrives with his wounded black Lab, Ned, she has no idea that she is about to be plunged into a whirlwind of terror and destruction. Jude Marrock is out for revenge and has no choice but to involve Devon in a high-stakes cat-and-mouse game with an escalating body count.
