Jewelry Making Jewelry Making Crush Course: Learn how to create Pendants, Bracelets, Earrings, and Necklaces (Jewelry Making Books, Jewelry Making for Dummies, Jewelry Making Tools) Are you interested in making your very own, homemade, unique jewelry? Is this something that interested you but you're just not quite sure where to start or how to learn? Or, is there a chance you've tried making your own jewelry before but it either didn't work out the way you wanted it to or you simply didn't have the proper knowledge? Maybe you've made your own jewelry several times or even many times but you're looking to learn more and broaden your education on the topic. If any of these apply to you, then this is the book for you! Learning something new, like how to make your own jewelry can seem overwhelming, confusing and frustrating. Of course, there is always a lot to take in and learn but that's where this book will come in handy! Not only will this book teach you how to make your very own, custom, handmade necklaces, earrings and bracelets but it will also instruct you through carefully laid out information and step-by-step processes. There will never be a time where you need to feel overwhelmed, confused or frustrated! This book will always provide helpful, straight forward and easy to understand information on the jewelry making topic. This book includes: -An introduction to jewelry making and things to consider before you begin - Five step-by-step necklace projects - Five procedural earring projects - Five informational bracelet projects - Five ring projects - Tips and tricks to make your jewelry even more unique and fun!
