

Insects (Peterson Field Guide Coloring Books)

The quickest, most enjoyable way to learn about nature is to color your own field guide, using the Peterson Field Guide Coloring Books. Once you have colored a red-eyed vireo or a yellow-blotched sawback, you will never forget what it looks like. The Insects Field Guide Coloring Book features:- 240 of the most common and curious North American Insects- Clear, colorful descriptions of each insect- Scenes showing insects in their natural habitats
