

A Year at the Races: Reflections on Horses, Humans, Love, Money and Luck

Pulitzer Prize-winning author Jane Smiley draws upon her first-hand knowledge to examine the horse on all levels - practical, theoretical and emotional. Drawing on the wisdom of trainers, vets, jockeys and a real-life horse whisperer, Smiley adds an element of drama and suspense as two of her own horses begin their careers at the racetrack. As the horses get closer to the winners circle, we are enchanted, enthralled and informed about what its really like to own, train and root for a racehorse.
