

## Aliens vs. Predator #2: Duel

The violent clash of Alien against Predator left the planet Ryushi a desolate wasteland. But now, years later, a mysterious alien beacon beams a distress signal from the supposedly abandoned world. When Colonial Marines from the Brilliant respond to the call for aid, they step neck deep into disaster! Written by original AVP writer Randy Stradley (AVP, Star Wars) and illustrated by Javier Saltares (Ghost Rider, X, Predator) and Jimmy Palmiotti (Catwoman, Daredevil), Aliens vs. Predator: Duel is the story sequel to the groundbreaking Aliens vs. Predator series that set the comics world on its ear!
