

Rick the Robber Baron

When Kita Ogude wakes up tied to a post in her simulation room, she knows marauders have tried to take her ship again. But this time something feels off, and familiar. She thinks she knows this marauder. And her desire to regain her ship becomes secondary to something she has wanted for a very long time: revenge. Science fiction writing at its best. EssentialWriters.com USA Today bestselling author Kristine Kathryn Rusch writes in almost every genre. Generally, she uses her real name (Rusch) for most of her writing. Under that name, she publishes bestselling science fiction and fantasy, award-winning mysteries, acclaimed mainstream fiction, controversial nonfiction, and the occasional romance. Her novels have made bestseller lists around the world and her short fiction has appeared in eighteen best of the year collections. She has won more than twenty-five awards for her fiction, including the Hugo, Le Prix Imaginales, the Asimovs Readers Choice award, and the Ellery Queen Mystery Magazine Readers Choice Award.
