

## Game of Blood

In a world where vampires are real and the forces of the supernatural are as deadly as any terrorist organization, only a vampire secret agent can protect mankind from the creatures of the night. One of the worlds deadliest vampires, a man known only as The Number, has been a prime target of MI:13 for years. If Bond can wipe out his bankroll, The Number will likely be retired by his masters, a mysterious organization known only as GHOST. But what if the cards wont cooperate? After a brutal night at the gaming tables, Bond soon finds himself dodging would-be assassins, fighting off brutal torturers, and going all-in to save the life of his beautiful human counterpart, Vesper Lynd. In this 21st century mash-up of Britains greatest secret agent, you are introduced to a whole new world of shadowy espionage, blood-drinking spies and ancient, unspeakable evil. Take a bite out of the new Bond.
