

A Family For His Tiny Twins (Mills & Boon Medical)

Single dad with newborn twins! Nurse Nadia Smith is devoted to the fragile lives in the Neonatal Intensive Care Unit. She might have lost a baby of her own, but if anything that makes her care even more for her tiny patients. And it is in the neonatal unit that Nadia meets new father and A&E doctor Gideon West. Single dad Gideon refuses to leave his premature newborn twins for a second - they are the most precious things in his world. Nadia is taken with the gorgeous doctor, and it is clear to Gideon she has already fallen head over heels for his beautiful babies. It's not long before he begins to realise what a wonderful wife and mother Nadia would be if only she would open her heart to him too.
