

Demenion: The Unseen Riddles from Heresy Book 1 (Volume 1)

Five friends have to solve the riddles inside an ancient stone house to reveal the chambers which hide beyond the immovable doors. Uri, the theology and history professor, takes his four female companions on a shattering journey while they are faced with the supernatural and a cult out to stop Micki. Demenion is a theological adventure which takes you through this major religions from different eras, showing you their similarity while involving you in the mystery set before five friends. If you love metaphysical books and adored the Christian controversy in the Da Vinci Code, then start this adventure. This is the scholastic version of the Heresy series. Whatever is covered up will be uncovered, and every secret will be made known ~Luke 12:2
