

## Collins Butterfly Guide: The Most Complete Field Guide to the Butterflies of Britain and Europe

This classic guide to the butterflies of Britain and northern Europe enters its third edition as part of the authoritative Collins Guide series. This comprehensive guide to the butterflies of Britain and Europe features over 400 species, depicting both male and female insects. Species descriptions include details on taxonomic nomenclature, distribution, flight period, variation, habitat, behaviour and life cycle. Subspecies are included where there is significant variation, and distribution maps accompany each widespread species. Illustrated by Richard Lewington, the worlds leading butterfly illustrator, this is an ideal field guide for travelling naturalists and butterfly enthusiasts alike and is an essential addition to every nature lovers bookshelves.
