

Dont Blink

The good New Yorks Lombardos Steak House is famous for three reasons--the menu, the clientele, and now, the gruesome murder of an infamous mob lawyer. Effortlessly, the assassin slips through the polices fingers, and his absence sparks a blaze of accusations about who ordered the hit. The bad Seated at a nearby table, reporter Nick Daniels is conducting a once-in-a-lifetime interview with a legendary baseball bad-boy. In the chaos, he accidentally captures a key piece of evidence that lands him in the middle of an all-out war between Italian and Russian mafia forces. NYPD captains, district attorneys, mayoral candidates, media kingpins, and one shockingly beautiful magazine editor are all pushing their own agendas--on both sides of the law. And the dead Back off--or die--is the clear message Nick receives as he investigates for a story of his own. Heedless, and perhaps in love with his beautiful editor, Nick endures humiliation, threats, violence, and worse in a thriller that overturns every expectation and finishes with the kind of flourish only James Patterson knows.
