

Bundle: Theory and Practice of Group Counseling, 8th + Helping Professions Learning Center 2-Semester Printed Access Card

With the guidance of world-renowned counseling author, teacher, and practitioner Gerald Corey, best-selling Theory AND PRACTICE OF GROUP COUNSELING, 8e equips readers with the knowledge and skills for effective group counseling and leadership. You'll learn key theoretical approaches to group leadership and how to successfully apply each in practice. With Coreys clear, straightforward writing style, you will have no difficulty understanding each theoretical concept and its relationship to group practice. And as you explore different approaches, your growing knowledge will enable you to integrate techniques from the various approaches you'll study in this book to create a unique approach that works successfully for YOU.
