

## Marooned With A Millionaire (Mills & Boon Desire)

From the moment blond hot-air balloonist Lizzie Matheson hit the deck of his yacht, Jack Dunlap knew he could kiss his solitude goodbye. His unconventional - and pregnant - passenger was driving him to distraction, making the reclusive millionaire long to remain stranded with this arousing mother-to-be forever. The last place Lizzie expected to find herself was adrift at sea with a seductive yachtsman. And the longer she spent in close quarters with the amorous Captain Jack, the harder it would be to leave him once they reached land. Unless she could turn a go-it-alone kind of guy into a partner-for-life.
