

The Gates of the Forest

Gregora teenaged boy, the lone survivor of his familyis hiding from the Germans in the forest. He hides ina cave, where he meets a mysterious stranger who saves his life. He hides in the village, posing as a deaf-mute peasant boy. He hides among the partisans of the Jewish resistance. But where, he asks, is God hiding? And where can one find redemption in a world that God has abandoned? In a story punctuated by friendship and fear, sacrifice and betrayal, Gregors wartime wanderings take us deep into the ghost-filled inner world of the survivor.
