

Excel Guide For Finite Mathematics And Applied Calculus: Used with ...Harshbarger-Mathematical Applications: For the Management, Life, and Social ... Applied Calculus; Berresford-Applied Calculus

This manual, by Reva Narasimhan, provides Excel information, including step-by-step examples and sample exercises, for finite math and applied calculus topics. No prior knowledge of Excel is necessary. In addition, this manual references a number of exercises from the Harshbarger/Reynolds text that would work well with Excel.
