

First Among Equals

Charles Seymour, second-born son, will never be the earl like his father, but he did inherit his mother's strength—and the will to realize his destiny... Simon Kerlake's father sacrificed everything to make sure his son's dreams come true. Now it is Simon's chance to rise as high as those dreams allow... Ray Gould was born to the back streets but raised with pride—a quality matched by a sharp intellect and the desire to attain the impossible... Andrew Fraser was raised by a soccer hero turned politician. Now it's his turn for heroics, whatever the cost. From strangers to rivals, four men embark on a journey for the highest stakes of all—the keys to No. 10 Downing Street. Unfolding over three decades, their honor will be tested, their loyalties betrayed, and their love of family and country challenged. But in a game where there is a first among equals, only one can triumph. **BONUS MATERIAL INCLUDED:** 1st chapter of Jeffrey Archer's newest novel *SINS OF THE FATHER*, coming May 2012. *SINS OF THE FATHER*: On the heels of the international bestseller *Only Time Will Tell*, Jeffrey Archer picks up the sweeping story of the Clifton Chronicles. Only days before Britain declares war on Germany, Harry Clifton, hoping to escape the consequences of long-buried family secrets, and forced to accept that his desire to marry Emma Barrington will never be fulfilled, has joined the Merchant Navy. But his ship is sunk in the Atlantic by a German U-boat, drowning almost the entire crew. An American cruise liner, the SS *Kansas Star*, rescues a handful of sailors, among them Harry and the third officer, an American named Tom Bradshaw. When Bradshaw dies in the night, Harry seizes on the chance to escape his tangled past and assumes his identity. On landing in America, however, Bradshaw quickly learns the mistake he has made, when he discovers what is awaiting him in New

York. Without any way of proving his true identity, Harry Clifton is now chained to a past that could be far worse than the one he had hoped to escape.
