

Frommers EasyGuide to London 2014 (Easy Guides)

Selling for a lower price than any similar guidebook, and deliberately limited to a short 256 pages, this EasyGuide is an exercise in creating easily-absorbed travel information. It emphasizes the authentic experiences in each destination: the most important attractions, the classic method of approaching a particular destination; the best choices for accommodations and meals; the best ways to maximize the enjoyment of your stay. Because it is quick to read, light to carry, it is called an EasyGuide, and reflects Arthur Frommers lifetime of experience in presenting clear and concise travel advice.
