

General zoology Volume 5, pt. 2 ; or Systematic natural history

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1804 Excerpt: ...but the horns of unequal length; the upper being thirteen inches, the lower ten: the whole fish was of a leaden colour, and the skin comparatively smooth, being far less rough than in most of the genus. This and the preceding fish seem very nearly allied, and perhaps may only constitute sexual differences of the same species. **DENTICULATED SHARK.** *Squalus Denticulatus*. *S. griseus*, supra maculis maguis in aqua libus rufis, dorso elevato tuberculis imbricatis. Grey Shark, marked above with large unequal rufous spots, with elevated back denticulated by tubercles. *Squale dentele*. *Cepede*. Colour greyish or pale ash-brown, marked over the whole upper part with large, irregular, rufous spots: back much elevated, and appearing denticulated by a row of small tubercles, running from between the eyes to the first dorsal fin: all the fins, except the caudal, tipped with brown: first dorsal fin placed beyond the middle of the back: tail bilobate, the upper lobe longer than the lower, and indented by a partial division: teeth triangular: size not mentioned: described by *Cepede* from a dried specimen in the Prince of Oranges Museum. In the British Zoology the upper lobe is said to be ten, and the lower thirteen inches long; but it is clear from the plate, engraved from *Mr. Daviess* drawing, that this is an error. V. V. P. II. 24 **PUNCTULATED SHARK.** *Squalus Punctulatus*. *S. supra rufus albo punctatus*, subtus fer rugineus. Shark with the upper parts rufous, speckled with white, the lower parts ferruginous. *Squale pointille*. *Cepede*. Habit similar to that of the *Isabella Shark*: colour rufous above, deep tawny beneath: upper parts marked with numerous, small, white specks: head rounded in front: teeth

similar to those of the Canicula: spiracles
small: pectoral fins rather large: ta...
