

## Grass Roots: A Will Lee Novel

Will Lee has returned to his roots to kick off his campaign for the Senate. A prominent lawyer, he has come back to his hometown of Delano, Georgia, to plan his strategies...and to argue an explosively controversial case that could seriously damage his political career. For Delano is a town with a dark secret - a smoldering hotbed of racial hatred and moral outrage, held in the thrall of a sinister white-supremacist group called The Elect... a breeding ground for violent, evil forces that will stop at nothing to keep the candidate out of office. At first, Will Lee was running for the Senate. But now he is running for his life.
