

## Groups: Process and Practice (with InfoTrac) (Available Titles CengageNOW)

Drawing on their extensive clinical experience in working with groups, Marianne and Gerald Corey provide a realistic approach to the blending of theory with practice in group work. This best-selling text has been updated with new examples, guidelines, insights, and ideas that demonstrate how group leaders can apply the basic issues and key concepts of the group process to a variety of groups. Offering up-to-date coverage of both the what is and the how to of group counseling, the Seventh Edition features a greater focus on group work with children, the elderly, issues in both womens and mens groups and in school settings.
