

The Tragedy of Romeo and Juliet (New Folger Library Shakespeare)

In *Romeo and Juliet*, Shakespeare creates a violent world, in which two young people fall in love. It is not simply that their families disapprove; the Montagues and the Capulets are engaged in a blood feud. In this death-filled setting, the movement from love at first sight to the lovers final union in death seems almost inevitable. And yet, this play set in an extraordinary world has become the quintessential story of young love. In part because of its exquisite language, it is easy to respond as if it were about all young lovers. The authoritative edition of *Romeo and Juliet* from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes:

- Freshly edited text based on the best early printed version of the play
- Newly revised explanatory notes conveniently placed on pages facing the text of the play
- Scene-by-scene plot summaries
- A key to the plays famous lines and phrases
- An introduction to reading Shakespeares language
- An essay by a leading Shakespeare scholar providing a modern perspective on the play
- Fresh images from the Folger Shakespeare Librarys vast holdings of rare books
- An up-to-date annotated guide to further reading

Essay by Gail Kern Paster

The Folger Shakespeare Library in Washington, DC, is home to the worlds largest collection of Shakespeares printed works, and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year, the Folger offers a full calendar of performances and programs. For more information, visit folger.edu.
