

Heart of Darkness

Joseph Conrad was a Polish-British writer regarded as one of the greatest novelists to write in the English language. He was granted British nationality in 1886 but always considered himself a Pole. Though he did not speak English fluently until he was in his twenties (and always with a marked accent), he was a master prose stylist who brought a distinctly non-English sensibility into English literature. He wrote stories and novels, many with a nautical setting, that depict trials of the human spirit in the midst of an impassive, inscrutable universe.
