

For One of Your Smiles...

Fictional story of a young woman who finds a new beginning by escaping her abusive past and who learns to overcome insecurities and fear, and to love again. Book proceeds support the American Academy of Cosmetic Dentistry Charitable Foundations (AACDCF) Give Back a Smile (GBAS) program. GBAS celebrates its 15th anniversary of restoring smiles for domestic abuse survivors throughout the nation. In recognition of abuse victims and to spread the word about this program to prospective patients the AACD Charitable Foundation (AACDCF) is honored to partner with popular author Isabel Sharpe to share this story of new beginnings. If you, or someone you know, has sustained damage to her/his teeth from an abusive relationship, there may be help through the AACDCF's Give Back a Smile program.
