

THE BLACKMAIL BABY (Harlequin comics)

The day Simone was supposed to marry Dracco ended with her leaving the church in her wedding dress and boarding a plane to Rio, Brazil. Four years later, she reunited with Dracco to get her inheritance, with the intent of donating it to the impoverished children she stayed with. Drake will give it to her, but on one condition: she needs to have his child. Is saving the forgotten children of Brazil worth bringing a baby into this world with a man she no longer loves?
