

## Incarnate, a Paranormal Romance (Spiritus Series Book #3)

I moved away from him, not wanting to be anywhere near him. I was hurt and angry. Ever since that first night in my room when he appeared to me, we had been moving toward this moment. Why couldn't he see that? To be in a love affair with a ghost is both a fantasy and a punishment for Becca. Always searching for balance between her deep love for Alastor and her desire for a normal life, a chaotic period of impulsiveness, death, and mourning have led her to the ultimate turning point. Can she and Alastor go against the laws of nature and cheat death to be together again? And at what price? The amazing, much anticipated conclusion to the Spiritus Series, *Incarnate* highlights the magic, superstition, and tragedy of this hypnotic romantic epic that has entranced readers.
