

Jonny Double

From the award-winning team of Brian Azzarello (Hellblazer, 100 Bullets) and Eduardo Risso, comes another hard-hitting slice of classic American crime fiction...Jonny Double is a down-at-heel private eye, and down on his luck - until he gets a job looking for the daughter of a rich local. Finding her, and the gang she's hanging around with, is no problem, and the case is solved. But they have a proposition for Jonny which involves another case. A case containing several million dollars, in fact - a walk in, walk out, no problems kind of job. The kind of job that could set him up for life - on the other hand, it could just set him up...
