

Justice for Joshua

The second adventure for Yosemite Park Ranger and martial arts champion Joshua Rogan. Joshuas days as an internationally renowned martial arts master are behind him and hes settled back into his life as a Yosemite Park Ranger, devoted husband and new father -- after his first adventure. But his idyllic life is upended when, during a trip to Oakland, his wife lies close to death after being hit in a drive-by shooting.

Faced with seemingly inept -- or deliberately uncooperative -- police, the dormant ninja warrior inside Joshua is enraged. Hes hell-bent to use all his martial arts expertise to track down the gang responsible and bring them to justice. He soon uncovers an underworld ruled by a savage gang. With his anger and determination growing, can Joshua stay true to his quest for justice, or will a desire for vengeance turn him into a vigilante as vicious as the gang he seeks to destroy? The follow-up to JOSHUAS REVENGE is an adventure full of more thrills, spills and awesome ninja skills!
