

Landslide

From the author of the Bestselling mystery/suspense series, Redwood Violet, comes another page-turning story that is thrilling from beginning to end! Taut narrative twists, without sacrificing humanity - Tinfoot Tall, Top 50 Amazon Reviewer I was hooked from the very first page - Long and Short Reviews In the sprawling suburbs of Seattle, Claire McKenna finds solace in her perfectly ordinary life. With the daily struggles of raising a family and climbing out of debt, she and her husband Colin, work hard to hang on to what they've got. So when Claire is offered an incredible opportunity to rise in the ranks of her firm, she jumps at the chance. Her joy, however, is short lived at the discovery that her close friend and colleague, Beth Graves has just been accused of embezzlement. Compelled to see Beth's name cleared, Claire digs deeply into the inner workings of her organization, uncovering something that was never meant to be found. Something that brings danger into her ordinary life. When Claire turns for help, who will be on her side? Who will she be able to trust?
