

One Too Many

Will Bronson and his son Danny are on their way to Vermont to spend a quiet Christmas with a friend -- until a snowstorm forces them to take refuge in an isolated country diner with a group of passengers from a disabled bus. With plenty of food, heat, and companionship, they figure everything will be fine. Then a pair of state troopers shows up, claiming there's a murderer in their midst. That would be bad enough. But Will Bronson and his son hunt werewolves. And sometimes the werewolves hunt them.
