

Legacy: Memories, Memorabilia, Journals Make Every Memory a Family Legacy

This book is much more than scrapbooking. Get ready to start a wonderful memory-making journey with the timeless qualities of Legacy Papers by Design Originals. You will find a stylish collection of album pages, greeting cards, upscale frames, mini journals, small home decor projects and even a vintage cigar box purse, that will tug at your heart and wake up all those hidden creative spirits. Learn to preserve your family memories with photographs, mementos, postcards, travel folders, maps, letters, tickets, envelopes, invitations... maybe even an old pocket watch - all those precious keepsakes that have been tucked away and out of sight for longer than you like to remember. You will discover dozens of fresh, but classic album pages and embellishment ideas that incorporate charms, wire, buttons, fibers, keys, tags, eyelets and more... all the most popular embellishments. See how easy it is to magically convert modern CD cases, boxes, ready-made mini journals, tin cans and even bottle caps into classy miniature treasures. Learn how to alter Legacy papers with easy techniques, plus how to add instant charm to projects with Legacy Cuts and Frames. Get ideas for using mega punches and decorative scissors, plus how to make quick borders, weave papers, tearing techniques, layering ideas, stitching styles, and much more! A handy grid on the back of each Legacy paper eliminates time-consuming measuring and makes cropping fun and easy!
