

X-Men Forever 2 Issue #9

Written by CHRIS CLAREMONT
Penciled by MIKE GRELL
Covers by TOM GRUMMETT TURNING
JAPANESE! Ever since she got a claw of her own, Kitty Pryde's been feeling ...not herself. To put it mildly. And after barely surviving an encounter with the Marauders' secret weapon, the young X-Man feels a strange, inexplicable pull towards the land of the rising sun. Of course, it can't be a coincidence that said secret weapon is also stalking the streets of Tokyo, right? It's gonna take more than just one claw for Kitty to make it through round two!!
