

Taken by Storm (Whitfield Brides)

When tall, ruggedly handsome U.S. marshall Raphael Madison tells spirited five-foot-three floral designer Simone Whitfield that hes her live-in bodyguard for the duration of a high-profile court case, the notion that opposites attract definitely applies. But while trying to stay busy and ignore the magnetic pull of the hunky lawman, Simone discovers that sharing her home with a bodyguard stirs up a storm of longing. Soon, their closeness becomes electrifying, as friendship brings intimacy and an endless night of uncontrollable passion. But will the morning after bring regrets or promises of forever?
