

## Longing for Love (McCarthy's of Gansett Island Series, Book 7)

Book 7 in the Gansett Island Series Welcome back to Gansett Island! Series favorite Tiffany Sturgil steals the spotlight in Longing for Love as her new boutique Naughty & Nice opens in downtown Gansett, right in time for the annual spring Race Week festivities. Finally divorced and ready for a new beginning, Tiffany wonders if sexy Police Chief Blaine Taylor thinks of her as often as she thinks of him since their explosive encounter last fall. Back then he directed her to call him the second she was officially divorced, but the opening of her store and her unconventional advertising campaign have put the islands lingerie queen at odds with the towns top cop. Despite their clashes, when these two finally get together after months of steamy build up, readers will need to keep a fire extinguisher close at hand! Blaine has been burned in the past by love affairs gone wrong, and hes wary about risking too much too soon. But he quickly discovers that Tiffanys sarcastic rejoinders and bitter outer shell hide a badly wounded heart of gold. He also discovers shes a sex-toy fraud and convinces her she cant possibly sell the merchandise without trying it out first... While he finds himself thinking of her all the time, the mayor is after him to curb her sexy advertising and his mother worries that Blaine has taken on another project who will break his heart. As Blaine and Tiffany fight for their happily ever after, readers favorite characters from past books are back for more island adventures. Joe and Janey return to Gansett for the summer and discover the big secret his mother has been keeping. Evan learns that Grace hasnt told her parents about him. Stephanies restaurant is ready to open in the renovated Sand & Surf Hotel. Dan keeps showing up to visit Kara at work, Mac is worried about Maddies upcoming meeting with her deadbeat dad and a Race Week catastrophe reminds everyone whats really important.

The McCarthy's of Gansett Island takes a decidedly erotic turn in this seventh book! If hot, sexy men in uniform cavorting with hot, sexy women who sell sex toys for a living aren't your thing, this book might not be for you! Over and over again. Carly Phillips, NY Times Bestselling Author of the Serendipity series I always look forward to a Marie Force release. She manages to create lovable characters who can get a reader to fall in love with them in as little as five words (Hi, my name is...). There is something special about the group that lives on Gansett Island. It's always enjoyable to be able to reconnect with our friends from previous stories, drop in on their lives or meet new friends. They're a fun, friendly, loving group of people who make you want to go back to Gansett Island again and again. Night Owl Reviews on SEASON FOR LOVE.
