

Loyalty to the Cause (This Corner of the Universe) (Volume 4)

Garrett Heskan and his Brevic officers have taken sixteen incarcerated pilots. The move was not only to save the aviators from their own government, it was the first step in a bold plan to keep Heskan's promise to Isabella Lombardi and her captured Hollaran crew. Secretary Brewer and his Internal Security agents believe Jack Truesworth is the ringleader of the Brevic renegades, bent on revenge against Bree and Hollara alike. As agents try to locate the escapees, Heskan plays a dangerous game from inside Brewer's circle, attempting to move Lombardi closer to freedom. Securing Lombardi's future is only half the responsibility that Commander Heskan has shouldered. Should Vernay, Selvaggio, Truesworth and the rest of his crew survive their run, they will need a safe haven outside the Republic. The Hollaran Commonwealth, Solarian Federation, and a myriad of corporate systems are among the options, but what is the best future for a wanted crew of Brevic military veterans who can never return home? Heskan owes his loyal followers that answer. *Loyalty to the Cause* is Book 4 in the *This Corner of the Universe* series, continuing the story of Garrett Heskan and the original crew of Anelace.
