

Michaels Discovery (Mills & Boon Vintage Cherish)

THE SAILOR WAS EDGY, STUBBORN AND THE LOVE OF HER LIFE. For years, Kelly Andrews had waited for her big brothers best friend to notice her. Now navy SEAL Michael Devaney was back in Boston as her bitter physical therapy patient but still every inch her hero. She vowed he could be whole again with a little help from his family and her healing touch. Broken in body and spirit, Michael seemed determined to defy Kelly and his reunited kin. Although he finally gazed at her with the passion she always craved, Michael held himself back, saying he was only half a man. How could Kelly convince her lifelong beloved that he was all the man she would ever need?
