

## Killshadow Road (The Gates)

Nick Darcy thought he'd left his past behind until McKenna Rigsby showed up wounded on his doorstep. Nick Darcy has always needed rules. So when he's temporarily suspended from a job he's dedicated his life to, the unstructured days ahead make him desperate for a distraction. That's when a blast from the past resurfaces on his front steps, bleeding and spinning a wild tale of assassins on her trail. Their history is complicated. But Nick is still McKenna Rigsby's best chance when it comes to surviving. Her cover blown by a mole in the FBI, she needs a partner who can stay levelheaded in a firefight. She has no doubt they're headed for a showdown. And that this time, there won't be any rules left to break.
