

What Goes Around...: The Santoro Stories (Volume 4)

Stefan Santorno Youngblood and his husband, Jordan, love their children more than anything in the world. They also love their kids significant others and friends as though they were their own. With mob ties and friends in high AND low places, we be unto anyone who screws with this close extended family. As some of the kids continue to recover from a previous attempt on their lives, spring brings new beginnings: graduations, a vacation in paradise, weddings and a little surprise no one could have predicted. Too bad new beginnings can also become rocky, scary and deadly? All Damon and Heath Youngblood want is to marry their hot fiances, begin their new lives and hang out with their buddies. All that their friends want is to laugh, love and maybe get a second chance or two to be completely happy. So, why is it that innocence comes shrouded in shadows and those new lives and second chances are nearly shot to hell one very dark night that should have been perfect? Well, the only thing certain in life is that what goes around, comes around. And the Santornos and their loved ones dont play nice.
