

Personal Demon (Women of the Otherworld)

Globe and Mail and New York Times bestselling author Kelley Armstrong follows *No Humans Involved* with a new, sexy, action-packed, *Women of the Otherworld* novel featuring a wickedly beautiful, supernaturally gifted heroine who may love danger a bit too much. Sending readers into a dazzlingly entertaining world of danger, vice and romance, Kelley Armstrong's phenomenal *Women of the Otherworld* novels mark her as a trailblazer of paranormal romantic suspense. Hope Adams, tabloid journalist and half-demon, looks like a Bollywood princess. Like full demons, she gets an almost sexual rush from danger and chaos in fact, she thrives on it. But she is determined to use her gifts for good. When the head of the powerful Cortez Cabal calls in an old debt and asks her to infiltrate a Miami gang of bored, rich, troublemaking supernaturals, she can't resist the excitement. As she becomes dangerously entangled in the plot she has no choice but to turn to her crooked werewolf ex-boyfriend, and the heir to the Cortez Cabal, for help. In typical Kelley Armstrong fashion, *Personal Demon* takes the reader on an energetic ride through the supernatural world and the human one, bringing them together to create one huge devilish adventure. From the Hardcover edition.
