

Persuasion

The unabridged classic on MP3 audio, narrated by Amy von Lateur. Three playback speeds on one disk; etext edition included. Running time: 7.7 hours (slow), 7.0 hours (medium), 6.4 hours (fast). Persuasion is widely appreciated as a moving love story despite what has been labelled as a simple plot, and exemplifies Austen's acclaimed wit and ironic narrative style. Her last completed novel, Persuasion was not published until 1818, a year after her death. In fact, it appears she did not envision the title of the story as Persuasion; there is speculation that the title of the novel was chosen by her brother Henry or her sister Cassandra.
