

Powers Bureau #8

From the best-selling writer of ALL-NEW X-MEN and ULTIMATE SPIDER-MAN comes another explosive chapter of the Eisner Award-winning cops-and-capes epic! Walker and Deena head to Hollywood, where the most elite powers have gathered together as the Seven! Except one of them has been brutally murdered - and no one is talking. Plus: Walker isn't supposed to be using his newfound superpowers on Earth, and he's about to pay the price for it.
