

Literary London: A Street by Street Exploration of the Capitals Literary Heritage

From the Globe at Bankside to the Wimpole Street home of Elizabeth Barrett Browning, London is, and always has been, crammed with literary life. Playwrights, novelists, diarists, poets and essayists throughout the centuries have roamed its streets, met in its cafes and restaurants and strolled in its parks and gardens. They have been inspired by its monuments, churches, law courts and theatres and have created fictional Londoners as diverse as Mr Pickwick, Sherlock Holmes, Bertie Wooster, Mrs Dalloway and Winston Smith, whose fortunes are played out against a London backdrop. This updated edition of The Penguin Literary Guide to London is a must for all book lovers and readers.
