

Beauty Be Still: A Revelation of Gods Love

The main insight of this book is for everyone that reads it to realize the undying love that God has for them. To make known not only his love, but to realize that regardless of our mistakes God is always there. This book will also answer questions that might plague the mind as we go through our earthly trials and tribulations leaving no doubt that God cares. As a Christian, true encouragement is needed if one is to go forth and fulfill Gods plan for their life. Hopefully as you read this book, not only will the poetry speak to your heart, but I pray that this book will lead you into a direction that would prove fulfilling to your soul, Gods Will.
