

# Roar (Witches & Warlocks) (Volume 3)

They are the Trinity and she is the centerpiece. Zoes not a killer. Even when Daya swears the world is better off without the vampires theyre sent to slay, she still wrestles with guilt in the morning. But Noah? Shes never seen him so tormented. Most days, he can barely bring himself to eat. Zoe cant stand to see him in pain because, while Noahs still upset with her, shes set on a happily ever after with him by her side. And that happily ever after isnt going to happen until they stop Lucy, the vampire boss-lady herself. Tired of waiting for the order from Daya, Zoe goes looking for Lucy on her own. What she finds has her reeling. Lucy knows who they are and what theyre doing and shes coming for them all. Zoes friends and family are in danger and shes the only one who can save them. And shes gonna do it, too. Even if it kills her.
