

In the Shadow of Falcons Wings: A Dodge Dalton Adventure (Dodge Dalton Adventures) (Volume 1)

IN THE GOLDEN AGE OF ADVENTURE... Dodge Daltons stories about the adventures of Captain Zane Falcon have made both the author, and his iconic protagonist, famous. Maybe a little too famous. When a diabolical villain, wielding a fantastic power unearthed in the ruins of a forgotten civilization, kidnaps the president, he has only one demand...a fight with Americas greatest hero. Theres just one problem: Falcon doesnt exist. Or does he? In order to save America, Dodge must embark on a journey to the ends of the earth to find Captain Falcon, and along the way will discover the hero within himself. Falcons Wings is high flying adventure at its best. Cleverly conceived, original, and multi-layered, the action literally jumps off the page and takes the reader through unexpected twists and turns. Rob MacGregor, author of Indiana Jones and the Last Crusade
