

## Seven Sisters Collection (Seven Sisters series)

Are There Ghosts in This Old Southern Plantation? Travel back in time with dream catching historian, Carrie Jo Jardine. When historian Carrie Jo Jardine accepted her dream job as chief historian at Seven Sisters in Mobile, Alabama, she had no idea what she would encounter. The moldering old plantation housed more than a few boxes of antebellum artifacts and forgotten oil paintings. Secrets lived there and they demanded to be set free. When young, wealthy Ashland Stuart offered Carrie Jo the job, he had no idea that she had a secret of her own. Carrie Jo dreams about the past. An unexpected accident takes Carrie Jo back in time as a witness to life at the plantation over 150 years ago. An impassioned plea from Ashland puts Carrie Jo in a precarious position as the two work together to find a missing heiress, the young and beautiful Calpurnia Cottonwood. A collection of journals and a series of dreams give Carrie Jo all the clues she needs to find the missing girl, but both a present-day danger and one from the past try to stop her. Will Carrie Jo solve the mystery of the house, or will she pay the ultimate price?
