

Father Christmas--Spam the Cats First Christmas (2nd edition) (Adventures of an Emancipated Cat)

Spam the cat thought hed seen a lot of the world in his nine months of life. After all, he was the foremost vampire hunter of Port Deception, WA. (SPAM VS THE VAMPIRE) ! This was his first Christmas, and from what hed heard on TV, on Christmas all was supposed to be calm, all was supposed to be bright. The deer and Renfrew the raccoon had other ideas however. In an attempt to keep Renfrew, aka The UPS Bandit from ruining a lot of Christmases, Spam begins a task that leads to him being the sole protection of a new mother and child, and a less-than-warm-and-fuzzy reunion with his feral father. Altogether, his first Christmas eve is a less than Silent Night. The proceeds of this book from whatever source will be donated to the Humane Society of Jefferson County for the benefit of the animal shelter. This second edition contains 11 original black and white drawings by cover artist Karen Gillmore and other new biographical material from the print on demand copy book, plus previews of the previous book in the series and a preview of TOUR BUS OF DOOM, Spam and the Zombie Apocalypse, the next book in the series.
