

Siege (2015) #1

They cant ever win. They cant afford to lose. The Shield is the only thing that protects the more civilized areas of Battleworld from the zombie hordes, death machines, and annihilation waves. Anyone who annoys Doom gets sent to The Shield. Anyone who gets sent to The Shield deals with Abigail Brand. Miss America, Lady Katherine, Kang the Conqueror, Leah Shieldmen, the Endless Summers Company, Leonardo Da Vinci, and a cast of thousands will fight to the death to keep Battleworld safe. But dont worry, Kieron Gillen is writing this book, so Im sure everything will end happily for everyone. Imagine NextWave as a tragedy, says Kieron, if anyone asks him about it.
