

SLAVE TO LOVE (Harlequin comics)

Roberta makes a tough decision and decides to end this fruitless love, although arrogant businessman Mac doesn't just let her leave. He holds her tight and tries to kiss her. Roberta struggles hard to flee from his sturdy arms. Mac never wants to commit and marry me! Everyone sees me as his mistress, and it hurts my pride. I don't want to wait anymore! Her rejection, however, brings about an opposite outcome. Fiercely possessive, Mac becomes fraught with desperation and desire stirred by her unusual behavior!
