

The Billionaires Baby (Mills & Boon Romance)

A nursery for the bachelors penthouse? Billionaire Blane Andrews has come to Melbourne to win back his wife. He walked away from Cam believing he wasn't good enough for her. Now he's risen to the top, but he wants the one thing money can't buy. Cam is initially wary, but as Blane romances her she realizes that the magic in their marriage never faded. Yet she can't give Blane the baby he's always wanted. This time she must say goodbye. But hold on to your dreams, Cam! Miracles can happen, and Blane's bachelor pad penthouse might need a nursery after all.
