

## Sexy Lycan Shorts- Sisters- River (BBW)- Book Seven

**\*\* Reader Alert \*\*** This book is a Lycan Short Story. As requested by some readers who wanted a little snack before bedtime but cant seem to manage to put a book down until the end. It has approximately 10000 words, and I like to think of it as a meet and mate. Hot and spicy with a little humour. Please do not purchase if youre expecting it to be a novella or if you dont like hot sex of the Lycan kind. Everyone else, sleep tight and maybe, just maybe let the Lycan have a bite. River liked nothing more than to be one of the guys. She knew it couldnt happen all the time, like when she was on her breeding cycle, but still-there was no way she was putting on a dress and playing nice for the visiting alpha. Not that it helped much. Her sister decided to throw her to the wolves and tell him exactly where she was hiding. Adult Content.
